RESORT OVERVIEW:

Set amid lavish gardens on a half-mile-long stretch of pearlescent beach named Playa Del Secreto (The Secret Beach), the adults-only, all-inclusive Valentin Imperial Maya boasts one of the largest swimming pools in Mexico. The location is ideal as one can easily reach Cancun and the world-famous Mayan archaeological sites of Tulum, Coba, and Chichen Itza, yet be removed enough to enjoy the casually elegant ambiance of this magnificent award-winning resort.

Fine dining is part of a great vacation, so why not treat your palate to a culinary adventure? Enjoy gastronomic experiences in a modern and trendy atmosphere with dishes crafted by internationally renowned chefs. Start your day with a tasty breakfast in the beachfront Mar & Tierra, where you can also enjoy lunch. For casual dining, the main buffet restaurant is available for breakfast and lunch. Or you may select from any of the seven à la carte restaurants: Italian, French, Japanese, Indonesian, Mexican, Steak House, and Seafood Grill. Reservations are never required!

The world-class spa is the perfect place to discover your senses and live a wonderful experience of total relaxation. There are a hand-designed variety of extraordinary treatments for your well-being. Unique massage techniques will help you achieve a perfect rest; facial and body treatments will help regenerate, hydrate, and rejuvenate the skin. The combination of aromas will create a unique sensory experience. Rituals are designed to achieve a complete balance between body and mind.

Bask in the luxurious guest suites overlooking the majestic Caribbean Sea or beautiful pool and lagoon. Get a welcome cocktail at your personalized check-in. Be treated like a star. Escape into a world where your every wish is honored. Come indulge yourself - you deserve it!

The Valentin Imperial Maya Hotel & Spa is committed to preserving the environment with the help of staff and guests by reducing the consumption of natural resources, promoting protection and respect for the environment through good environmental practices.
